1 We have a technical answer to our
2 worlds present day on going of mass problems.

3 An offer from above and affiliated with the
4 flying saucers (Library books on U.F.O.s state that
5 the existance is fact).

6 Specifics; The "Govt" (U.F. Unisef as formerly named) is a

7 Space age devise 1x2 Ft approx. for each that
8 supplies all our needs, (a Star trek like food
9 dispenser transport halographics, education, entertain-
10 ment etc, etc).

11 - It is achieved by executive order of our
12 international ballot box.

13 So the president is to be informed urgently.

14 And since at inspection it is our founding order
15 each promised to be One Nation under GOD

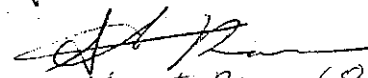

16 ^{Consistent} ~~To~~ Ensuing our terms In GOD we trust (Faith) ^{with Liberty & Justice for all.}

17 and is the specific ^{Finite} of the Novus ordo Secl-
18 orum. Our founding demand to fill.

19 Backed by pure reason based upon Scientific
20 collects deems the New world (Order) is due

21 is of course flatly none other than the missing
22 answer to all our cries.

Thanks & Love,

26 Hchy Stings will accompany to acquire that attention known as ED

Explanation for the
 UTF uniset promotion to its public

America the New World was to be gainful
 from the old world behavior patterns, Russia etc

got big way back in the past and if you know how it got
 & why, huh! Got comfortable & wouldn't own to the pack

So let's move on supplying the world pack with its

only remedial to multiple mass conflict & regain the
 rights to need the reclaim of the SELF to enforced
 upright moral states based on national claim - founded

So we have Liberty in the States as claim for that
 has the SELF and while we can not set in

this fascist claims as we'd be called by the many
 that is not the route to SELF's Liberty & that was
 for to have the "SELF" - accessed ^{the} GOD principle

Writ of Mandate on Deregulation & FDIC Seals Dol.

I've had Dol^s of the FDIC Seal since 1989. Dol^s (a unit of measurement of pain) itchy stings facial usually at top of the head & are for the purpose of enabling the reminder to head to "above" thus means to focus/let in above to get on track / to be informed so to grow spiritual (the right direction with each other & is very very real as I'm the 7 seals of the Bible expect ⑤ U.S. Seals Let there be light - The Sun "above" to call some shots. The Sun is the Christian God & the itches ~~are~~ Dol's are rae's electricity (rae-diodes) & bear intelligently (until you know don't dismiss or & notice itches on your face & head right now because you're not in the habit yet of inquiring with above. In God we trust as an authority plaguing the world as we were only permitted to head & species Adam & Eve ran the other way. Here we are. Dol's are a form of Jehovah's wrath. The 5 other seals of bible (but obviously by now comes a little more elaborate), are The Catholic Madonna represents a female Star as well Alpha Centauri: 6.06 Trillion yr old an almighty 80A-808 billion I.Q. Hellena mother (of sorts) So she's involved with Dol's & the earth - Rocks Raes. We are in ^{war} economic grid lock as a tyrant nation is not enate

1 Do you understand... oh yer buddies, your
